Happy Father's Day To All!

We Remember Them All!

We hope that you also have remembered them in the Triduum of Masses being offered in our Parish Church for the Fathers of the Parish. Try to have your Father remembered in these Masses. Cards are available at the door of the Church as well as in the Sacristy.

Of course, we wish to take this opportunity to wish all of our Fathers a very happy Father's Day. On this occasion, The Parish distributes a small token of our affection for our Fathers at all of the Masses. We also ask the blessings of God upon them, and especially that their task in this world is made as easy as possible for them.

And we ask them always to remember that in the estimation of the world, they might seem to be only a person, but to one person, they might just seem to be the entire world! A Happy Father's Day!

Fund-Raiser Raffle Tickets

Raffle Tickets are available at the door of the Church for our Fund-Raiser. We want to thank all those who purchased tickets for our Fund-Raiser, and hopefully all of our people will continue to help by not only purchasing them, but especially by selling them

to your friends. Tickets are available from Angela or Fr. Fabian either for re-sale or if you yourself wish to buy them. And each week, we do sell them also at the religious article stand during the Mall Hours, as well as after each of our Masses in the Church. They sell for \$2.00 each or 3 for \$5.00.

All of the proceeds will be used for repair work to be done to Most Precious Blood Church, hopefully to begin within the next year or so.

Candles Still Available

Three Annual Perpetual Candles are available if anyone is interested in memorializing a candle for the entire year for a loved one. It is only \$52.00 for the year, very, very reasonable. We just recently saw Annual Candles available at the St. Anthony Shrine at St. Francis Church on 31st Street for a cost of \$200.00 per year.

Also available, is the Sanctuary Candle for the month of July or for the month of August.

And finally, the Altar Candles are also available to be memorialized for the month of November when the Sanctuary Candle is also available as well.

If you are interested for any of the above, please be sure to call Fr. Fabian or Angela, our Secretary who will be happy to help you.

Atlantic City Trip

The next Bus Trip to Atlantic City will on Monday, June 16th. If you are interested in going, Mary Frattini on the West side has a bus that goes one

Parish Sick & Deceased

Please remember to pray for the sick and all of our Parish Deceased, and most especially for your own dear relatives and friends. Remember in your prayers the many persons who visit us during the Mall and ask us to remember them in our prayers and especially the men in our Armed Services.

To The Constitution!

The following is attributed to State Rep. Mitchell Kaye of GA....

"We the sensible people of the United States, in an attempt to help everyone get along, restore some semblance of justice, avoid more riots, keep our nation safe, promote positive behavior, and secure the blessings of debt-free liberty to ourselves and our great-great-grandchildren, hereby try one more time to ordain and establish some common sense guidelines for the terminally whiny, guilt-ridden, delusional and other bedwetters. We hold these truths to be self-evident: that a whole lot of people are confused by the Bill of Rights and are so dim they require a Bill of NON-rights."

Art. I: You do not have a right to a new car, a big screen TV or any other form of wealth. More power to you if you can legally acquire them, but no one is guaranteeing anything.

Art. II: You do not have the right to never be offended. This country is based on freedom, and that means freedom for everyone – not just YOU! You may leave the room, turn the channel, express a different opinion, etc., but the world is full of idiots, and probably always will be.

each month of the 3rd Monday of the month. Give her a call at 212-242-0195 and she will be happy to give you a seat and other information on the bus trip for this month. It might be a nice way to spend a nice summer day on a Monday down at the shore and enjoy yourself occasionally.

Art III: You do not have the right to be free from harm. If you stick a screwdriver in your eye, learn to be more careful; do not expect the tool manufacturer to enrich you and all your relatives.

Art. IV: You do not have the right to free food and housing. Americans are the most charitable people in the world and will gladly help anyone in need but we are quickly growing weary of subsidizing generation after generation of professional couch potatoes who achieve nothing more than the creation of another generation of couch potatoes.

Art. V: You do not have the right to free health care. That would be nice, but if it would turn out the same way as current public housing, we are not interested!

Art VI: You do not have the right to physically harm other people. If you kidnap, rape, intentional maim, or kill someone, don't be surprised if the rest of us want to see you put away for the rest of your sorry life.

Art. VII: You do not have the right to the goods of others. If you rob, cheat, or coerce away the goods or services of other citizens, don't be surprised if the rest of us get together and lock you up where you don't have the right to HDTV or a life of leisure.

Art. VIII: You do NOT have the right to happiness. Being an American means that you have the right to PURSUE happiness, which is, by the way, a lot easier if you are unencumbered by an over abundance of idiotic laws created by those of you who were confused by the Bill of Rights.

ART IX: You do not have the right to a job. All of us sure want to have a job, and will gladly help you

along in hard times, but we expect you to take advantage of the opportunities of education and vocational training laid before you to make yourself useful.

Art. X: And This is an English speaking country. We don't care where you are from, English is OUR language. Learn it or go back to wherever yo came from! And finally

Arct: XI You do not have the right to change our country's history or heritage. This country was founded on the belief in one God. You are given the freedom to believe in any religion, any faith, or no faith at all, with no fear of persecution. The phrase: IN GOD WE TRUST is part of that heritage! If you don't like, TOUGH!
